

BLEACHER SEATS
ARE A PROBLEMMovement in the National
League to Limit Number
Bleacher Seats to 2000.

New York, Feb. 9.—The more important actions taken at the opening season of the National league's re-convened annual meeting here Tuesday was to increase the power of president John K. Tener, by a constitutional amendment, which provides that in the case of protested games there shall be no appeal from the executive's decision.

Another radical measure, proposed by president Ebbetts, of Brooklyn, would prohibit any club from having more than 2000 25 cent bleacher seats. At present the Boston club has 16,000 such seats, the St. Louis club 8000, the Philadelphia club 6000 and the Cincinnati 4000.

At the meeting of the board of directors, which preceded the league meeting, Percy Haughton, of Boston, automatically took the seat held by former president Gaffney, of Boston.

The schedule drawn up by Mr. Dreyfuss was adopted. It includes only three conflicting dates, all Sunday games in Chicago, the fewest conflicts ever scheduled.

Umpires Are Appointed.

The following umpires were appointed for next season:

Robert Emlie, Henry O'Day, William Klein, Charles Richter, Mel Eason, William Byron, Ernest Quisenberry, Harrison. The last named came from the International league. Al Orth will be retained as utility umpire. Injuries incapacitated him last season.

The league voted to continue a monthly pension to Mrs. Mary Pulliam Johnson, sister of the former president of the league. Restriction and legislation on passes was discussed, but no action was taken.

Change Diagram of Diamond.

It was voted to change the official diagram of a baseball diamond in the official rules to correct errors discovered by John Foster, of the New York club, in relation to the pitching distance, batters' box, and the proper location of second base.

All national league diamonds will be remeasured before the 1916 season starts and certified reports of the surveys will be sent to the president of the league.

Would Change Outfield Fence.

Mr. Dreyfuss proposed an amendment to the playing rules, requiring that the shortest distance from the home plate to the outfield fence on fair grounds shall be 275 feet instead of 255, as now stipulated. The amendment was submitted to the National commission, as it deals with a subject that both major leagues must vote upon.

During the day the Cincinnati club was negotiating with Patrick Powers, representing Harry Sinclair, of the Federal league, for the services of pitcher Albert Schuler and Gene Packard. Schuler jumped a New York American contract to go with the Buffalo Federals and Packard jumped the Cincinnati club's reserve clause to go with Kansas City.
